#### Faculty Senate Master Standing Committee List 2025-2026 Rosters

Non-voting members are those committee members serving on a committee because of their administrative role at the university, and the value that the person in that role brings to the committee. Non-voting members may be nominated for service by the President, the Provost, or a committee chair. Should a non-voting member change positions at or leave the university, that individual would no longer serve on the committee, but a new individual in that role could be named to the committee in the same capacity.
